Benefits of Membership in ORPHCC

Benefits of Membership in NAPHCC

- Experienced state lobbyist protecting your interests at the Capitol and at BCD, BOLI and other state agencies.
- Regular meetings providing information and education on cutting edge technologies as well as changes in Federal & state regulations. Continuing education hours for JPs.
- Monthly Pipeline e-Newsletter sent by email with up-to-the-minute information on important state and local issues that impact your business.
- Annual convention (**Maui, May 13-15**) with presentations by industry leaders on how to save money, increase your bottom line and stay in business in these difficult economic times.
- Beneficial relationships with manufacturers, suppliers, insurance providers and other allied industries who want you to succeed.
- Annual golf tournament (**July 31**) at Stone Creek in Oregon City. A great opportunity to bring people together to build camaraderie.
- CJ Hansen Scholarship providing assistance to local students interested in the building trades from apprenticeship programs to 4-year colleges. (**Auction fundraiser November 6 or 13**)
- Generations of experience “in the business” at every meeting — and as close as a phone call — willing to lend a helping hand.
 - A new and versatile website with excellent information and the ability to join online. Just check out www.orphcc.com today!

- Experienced national lobbyists protecting your interests on Capitol Hill in Washington, DC.
- Successfully fought for the repeal of expanded 1099 reporting requirements.
- Successfully opposed proposed new Department of Energy showerhead regulations .
